

Now open for membership applications!

We are the **national network for scientists and professionals** working in the field of exosomes, microvesicles and other cell-derived vesicles. We **promote extracellular vesicles research** on all scientific levels and support young academics within the field.

- **Annual membership fees:** 20 € (students), 30 € (non-scientific employees), 50 € (full member), 200 € (legal entities)
- **Membership benefits:**
 - ❖ Discounted fees for registration at selected EV conferences
 - ❖ Privilege to give talks at EV conferences and at our Annual GSEV Meeting
 - ❖ Free access to state-of-the-art EV guidelines and documentation in the member area
 - ❖ Free overview on what other EV groups do in Germany
 - ❖ Opportunity to post job advertisements on the GSEV webpage for free
 - ❖ Participation in a strong EV network, nationally and internationally
 - ❖ Possibility to apply for travel grants (PhD students) and research awards (if applicable)
